RICHFIELD HIGH SCHOOL
Richfield, Minnesota
Volume 5
CAROL THELEN—Editor

Hail! Alma Mater!

*Our school so dear!
Sing all thy praise loud and clear!
Filled with tradition
May we ever be
Loyal, oh Richfield, to thee!
Hold high our honor,
With all our glory,
Proud, going forward,
With constancy! Oh!
Sing all thy praises
From far and near!
Hail! Alma Mater so dear!*

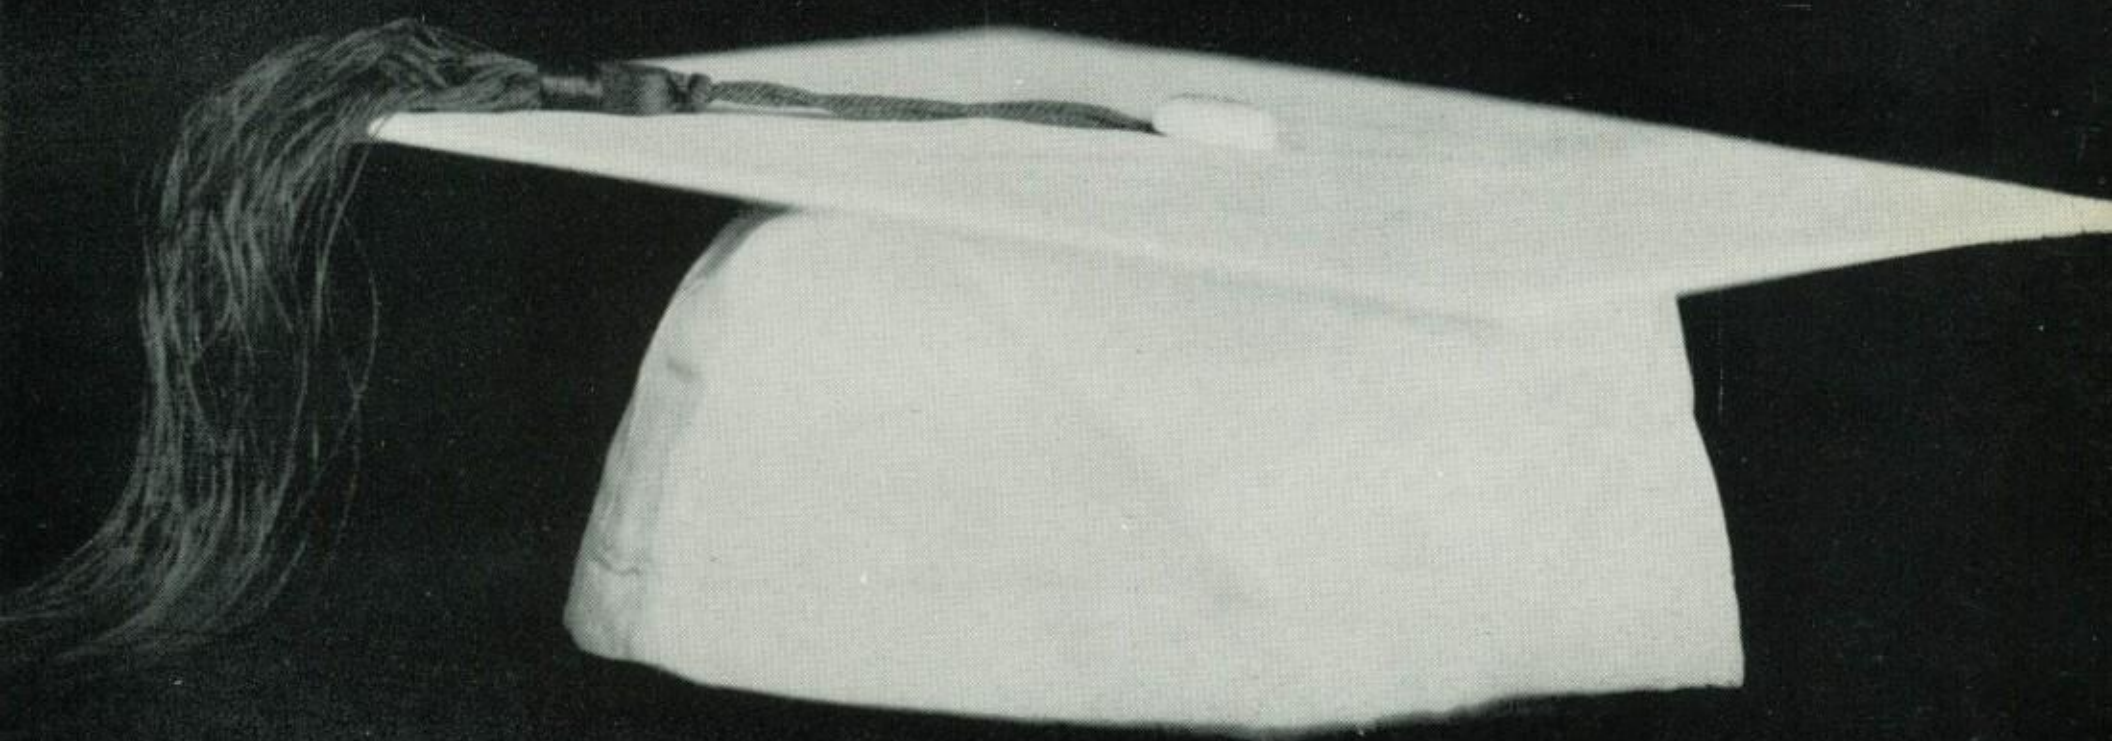

This year we have chosen the school hymn as the unifying theme for your AureAn. We invite you to read over the verse of the Alma Mater song and join with the staff of the yearbook on a tour of the people, places, and events that made this your "Golden Year."

Dedication

In recognition of her fine leadership, guidance, and friendly understanding, we, the Class of 1959, are very proud and happy to dedicate the AureAn to Miss Genevieve Wise.

It is our hope that by dedicating our yearbook to Miss Wise, we have been able to express our gratitude and our sincere appreciation for all that she has done for the students of Richfield High School.

Hail! Alma Mater!

District Administration

HARRY E. RUMPEL

Many of us know very little of the never-ending work that our District Administration does to advance the cause of education in Richfield. During the eighteen years that Mr. Rumpel has been with the Richfield school system, he has seen a great many changes from our meager beginning to the large school system we now

have. Mr. Rumpel's duties include the responsibilities of running the entire Richfield school system.

Some of the areas of his work are planning a suitable curriculum, indirectly employing and supervising the faculty and keeping the public informed of the activities of the School Board and the District Administration.

Carlton Lytle has been with the Richfield school system for four years. His work as assistant superin-

tendent ties in his duties very closely with those of Mr. Rumpel.

CARLTON LYTLE

Mrs. Astleford, Mr. Johnson, Mr. Gunderson, Mr. Forslund, Mr. Gasterlund, Mr. Weed.

The Richfield Board of Education is the organization responsible for the decisions on educational policy toward the students in the

Richfield School System. The board is organized to keep the principles and policies developed by professional workers in education.

HAROLD RASMUSSEN

Principal's Message

Each senior in his "Golden Year" should be prepared to go forth with a dream of the future. Each has had wonderful opportunities and has had chances to explore many areas of interest. The time has come for important decisions. On the one hand there is the tempting goal of immediate limited success. In this day and age of rush and excitement certainly the urge to make quick decisions regarding one's future is great, for it will bring some immediate satisfactions. There is another course, however, which should be given consideration. This is the willingness on the part of an individual to make a long-range decision. This means a period of hard work before a dream can come true. This means possible sacrifice before rewards can be experienced. This means that the individual must accept a high set of standards of behavior, learn to live with his fellow man, and be a credit to his community because of his chosen work. The kind of satisfaction that will be received from the goal that is reached by looking ahead cannot be predicted—it can only be experienced. We only hope your "Golden Year" will become your "Golden Future."

In the Office . . .

All who have talked to Miss Wise know what a helpful person she is. Her duties as a counselor include supervision of the special testing program and helping to place seniors in colleges and in jobs. In her spare time she enjoys knitting, reading, and travel. Miss Wise received her B.A. degree from Parsons College and her M.A. from the University of Iowa.

GENEVIEVE WISE

Mr. Bartosh, our assistant principal, came to us from the school system of Buffalo, Minnesota. He received his B.A. degree from River Falls State College and his M.A. degree from the University of Minnesota. His duties are to aid the principal in every way possible and to handle attendance reports and discipline. He has contributed much to our school, and he is an asset to RHS.

CLAIR BARTOSH

ROBERT CHRISTIANSON

Mr. Christianson, also a counselor, received his B.S. and M.A. degrees from the University of Minnesota. He enjoys fishing and gardening in his spare time. His knowledge and understanding of teen-agers makes him an asset to RHS.

"May we ever fight, fight, fight for Richfield High!" The RHS cheerleaders with all their pep and spirit cheered the Spartans to victory throughout the year. These girls spent many hours practicing and still more spurring the fellows on in football, basketball, hockey, and other sports. They also planned the pep fests for the enjoyment of the student body. They brought laughs with their many skits and roused school spirit with their yells. Miss Howe, cheerleader advisor, helped the girls arrange pep fests. She is also the pep club advisor.

"Success in football depends upon excellence of performance, physical make-up of the squad, spirit, and the will to win," stated Coach Collison. He continued, "We had the spirit and the will to win, but because we had to use younger boys, we didn't have the excellence of performance or physical make-up. They certainly were a team I could be proud of—that we all can be proud of."

Although the win-loss record would not suggest it, the Spartans were on top with 2073 total yards gained as compared with 1931 yards of the opponents. The Spartans trailed in rushing yardage with 1524 yards compared to 1605 yards of the opponents but surpassed the foes with 549 yards in passing compared with their 439 yards. RHS also led on the number of first downs with ninety-eight against the oppositions' eighty-six.

Wes Hattlestad, one of RHS's co-captains, received high honors in his position of lineman. He was selected for the all-conference team and also received the Prep Star of the Week award from the Minneapolis Star. Tackle Doug Carlson also won the Prep Star of the Week award.

The football team, under the direction of Coach Farrell, played a full schedule of eight games. The team had many outstanding players who should provide very good material for next year's varsity team. The team fought hard all season to dominate their opponents and

succeeded in doing so. Although the squad was small, it had the fight of a Spartan, as many an opponent will testify. They also gained a very important factor in becoming a top varsity squad — experience.

Coach Norness

This year a new sport, Cross Country, made its first appearance at RHS. The season started out with ten individuals. Throughout the season John Soderlund, a junior, lead in most of the meets. Others who ranked among top competitors were Tom Toler, Bill Boerner, Jay Henniger, Bob Johnson, all seniors, and Warren Birch, a junior.

When it came to the regional meet, Richfield placed eleventh in a field of twenty-two teams. The Spartan runners finished on top of teams that had previously beaten them in the season meets.

Next year cross country has three returning lettermen, and four returning numeral winners.

Captain Bruce
Coach Farrell

"We're ahead! We're four points ahead and only one minute to go! There they go down the floor, oops we're two points ahead. And here we go! Oops again, there they go. Now we're tied with fifteen seconds left. We're headed for another basket—or were. The game is over now—we've lost by one basket." The above may be typical of many of the cagers games, but basketball had never been as exciting at RHS as it was this year. The squad lost four seniors, Bruce Erickson, captain, Chick Tisher, Jim Raymond, and Bob Eliason. RHS can look forward to better and better basketball as next year's team will be much more experienced than this year's. One player we can't play without, and yet who can't actually play, is Coach Farrell. He is undoubtedly the hardest working member of the squad, but in his position is the one who received no "glory." We salute you, coach, and your team!

"Sink it, Eric!"

RHS students and fans saw the best in hockey in 1959. Winning thirteen and losing only three with two ties, the puck pushers were Lake Conference Champions. This is the first year that Richfield has held the conference championship.

Larry Lewis, captain, Jeff Nooleen, and Marty Richardson of this championship team were voted all-conference. Marty is a junior and is expected to hold a top position on the team next year.

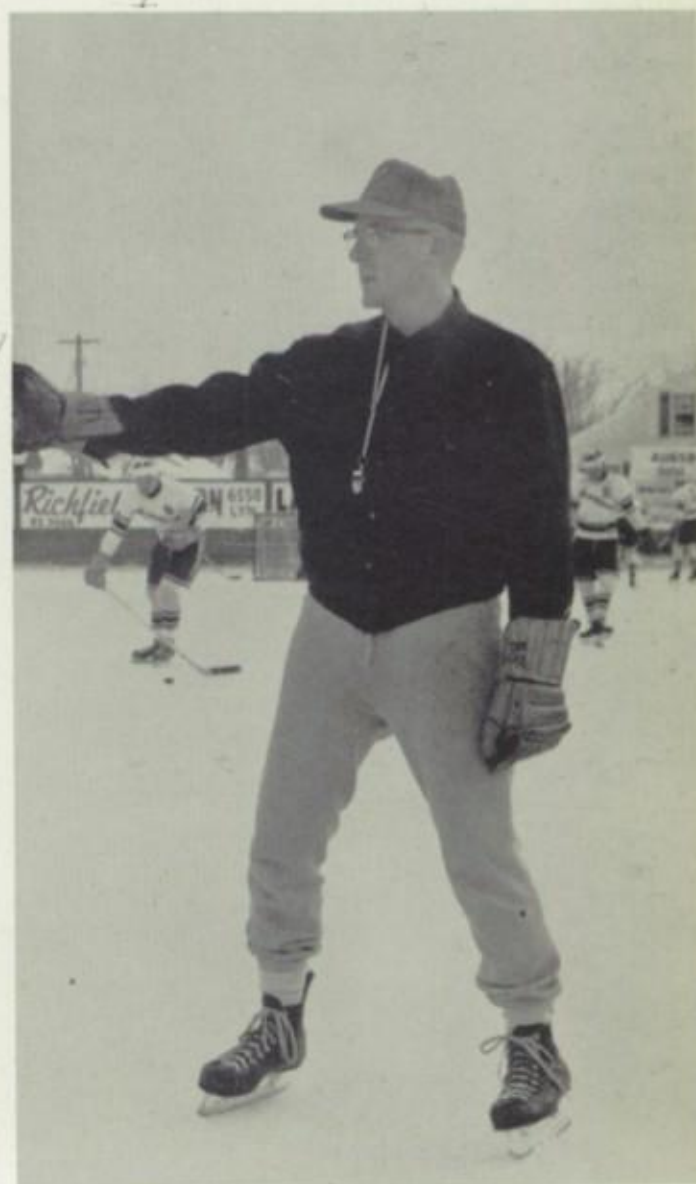

Robbinsdale and Minnetonka were picked to win the conference. Although we lost in the region, we have no reason to feel shame—look at the record.

Throughout the season the pucksters racked up a total of 76 goals. The combined efforts of RHS opposition rewarded them with only 28 goals.

Larry Lewis, Jeff Nooleen, Jim O'Brian, Gary Gobel, Doug Carlson, Tom Burniece, and Chuck Jacobson will leave 7 vacant positions on the team as they graduate. Marty Richardson, Keith Carlson, Bill Sack, Greg Olsen, and Steve Olson, high prospects for next year, are expected to help fill these spots.

The **Aces** of the diamond played six conference games and, winning all of them, became Lake Conference Champions. This is another Richfield first. After winning the conference, the diamond nine went on to take the district title. The team had a very good pitching staff, Larry Jungwirth, Bruce Anderson, and Gary Mayer. Anderson and Jungwirth each won two conference games. Star home-run hitters were Marty Richardson, Bill Davis, and LaMond Kopesky. In runs batted in Ken Brown and Dick Shubbe led the team. LaMond Kopesky brought home top honors as he was voted all-conference.

The 1958 RHS tennis team finished 4th in the Lake Conference. Steve Haight was the captain and only senior in the top seven. Mac Lutz held the number 1 position on the squad.

This spring our complete team returned, with the addition of some very promising sophomores: John Cotton, Terry Florin, and Bjorn Ulstad.

Having gained the necessary experience last season, the tennis racquetters this year will without doubt do some climbing in the conference.

Field Hockey

In the last two years G.A.A. has come into its own at RHS and is one of the most active organizations in the school. Approximately 100 girls were initiated this winter. Two new sports, field hockey and co-recreational bowling, made their first appearance and proved to be very popular. Sports were provided for all girls four nights every week. Friday was reserved for board meetings when the board sought ways to improve the sports and to plan other activities, such as the initiation party. This year G.A.A. had two advisors, Mrs. Allen and Miss Kerling. These two sports-minded women spent many hours helping organize and improve the sports.

The instrumental music department of RHS features three top-flight organizations, the concert band, the varsity band and the swing band. Members have also formed a smaller group known as the Dixie cats who played for dances and in the Variety Show. The concert band gave several concerts during the year and played at the homecoming program. The varsity or marching band performed at pep fests and at home games; they entertained everyone with their intricate marching formations and quick-time steps and marching routines. The swing band played at several dances and at assemblies. All of these organizations are under the direction of Mr. Miles Lundahl.

Teachers Serve

Teaching Apprenticeship' at RHS

Put yourself in the place of the four student teachers now at RHS. They came for their day of teaching to a new school with thousands of unfamiliar faces and a maze of halls. To top this off it was the day RHS was being evaluated for NCA and everyone, both students and teachers, were in a tither. Whew! I'm glad I wasn't in their shoes, doing a terrific job in their now doing a terrific job in their first experience at teaching.

All four of the student teachers are from St. Cloud, but only two will appear in this issue and the other two next issue.

Since the first grade, Miss Carlson, who comes from Hopkins, has wanted to teach.

history. She teaches four classes at RHS, a junior English, a junior history, and two sophomore English classes.

Skiing and swimming are Miss Carlson's favorite participation sports but wrestling ranks high with her among spectator sports.

She enjoys all music from jazz to classical and loves to dance. Her greatest ambition is to travel to Norway although she has done little traveling to date.

Maybe you saw Mr. Galvitz running around the halls during his first day here. He said he was in every corridor and hall in the first day in order to become acquainted with the school layout.

The sophomore sponsored sock hop was held Friday night, January 9, after the basketball game with Edina.

Although specific committees weren't chosen, four students took care of the planning. Steve Wishart was chairman, Bill Noonan,

On Tuesday, January 19, a meeting was held after school to discuss whether there would be a Twin Dance. The Pep Club and Student Council head met, and it was decided that the Pep Club would sponsor this dance.

The day had arrived—October 21, 1958. Richfield High School began its Homecoming festivities. Amid rolling drums and tears of joy, Janice Samuelson was chosen Richfield's 1958 Homecoming Queen.

Faculty surprise!

A reception was held for Queen Jan and her royal attendants following the coronation. At this time the school body, faculty, and alumni offered their heartiest congratulations.

"Clip the Featherheads"

"Clip the Featherheads" came the cry as Richfield charged into the grim-looking Warrior line-up. Thrills and nerve-wracking spills afforded the crowd a terrific game. When the dust had cleared, the scoreboard registered a heartbreaking tie, 13-13.

The tumultuous crowd viewed a thrilling half-time show with the intricate steps of the marching band and the beautiful floats. Everyone felt a proud glow as Queen Jan and her attendants were presented to Hopkins and Richfield.

Under a heaven of stars, music drifted from Tony Grise's orchestra, and the dancing couples sincerely wished that homecoming in the following years would be as glorious and as memorable as this one . . . and so, a whole week of festivities passed into the starlit sky.

When a very rich, proud family meets a very average family, there are bound to be fireworks. This very thing happened in "You Can't Take it With You," a comedy by Kaufman and Hart. Both families, however, learn a lesson from this unforgettable meeting.

This play, under the direction of Mr. J. E. Marcell and Peter Pollock, student director, took place February 19 and 20.

Twin Dance

The Pep Club sponsored the annual Twin Dance this year. It was held February 13, Friday the 13th. Superstition, however, did not stop the twins from turning out in masses. Again this year, it was a girl-ask-boy dance, and everything came in doubles—not only twins, but fun too!

The most identical twins were Carol Thelen and Dick Telke. The most original doubles were Dianne Ashcroft, Ron Pedersen, Sharon Eckegren, and Roger Mayer.

Records supplied the music, and pop was served for refreshments.

A double gala time was had by all!

Sadie Hawkins Dance

This year's Sadie Hawkins Dance was sponsored by the senior class. Naturally, it too, was a girl-ask-boy dance. Costume for the evening was everything from potato sacks to the latest styles from the hills. A wonderful time was had by all gals and their catches!

Ready for a big evening out

Richfield's Fire and Ice Dance was held March 6 in the school's cafeteria. The theme was carried out by using artificial fire and ice decorations and serving the punch from an ice punch bowl. As the clock struck ten-thirty, the king candidates were called to the stage. Lovely Queen Jan Samuelson then read the proclamation and crowned the Fire and Ice King, Bruce Erickson.

G.A.A. Tip-Off

Yea, seniors! Yea, rah, rah, faculty! These were the yells that echoed through the gym at the G.A.A. Tip-Off. The main game was played between the seniors and the faculty women.

Half time entertainment was provided for with a volleyball game between the senior boys and the G.A.A. initiates.

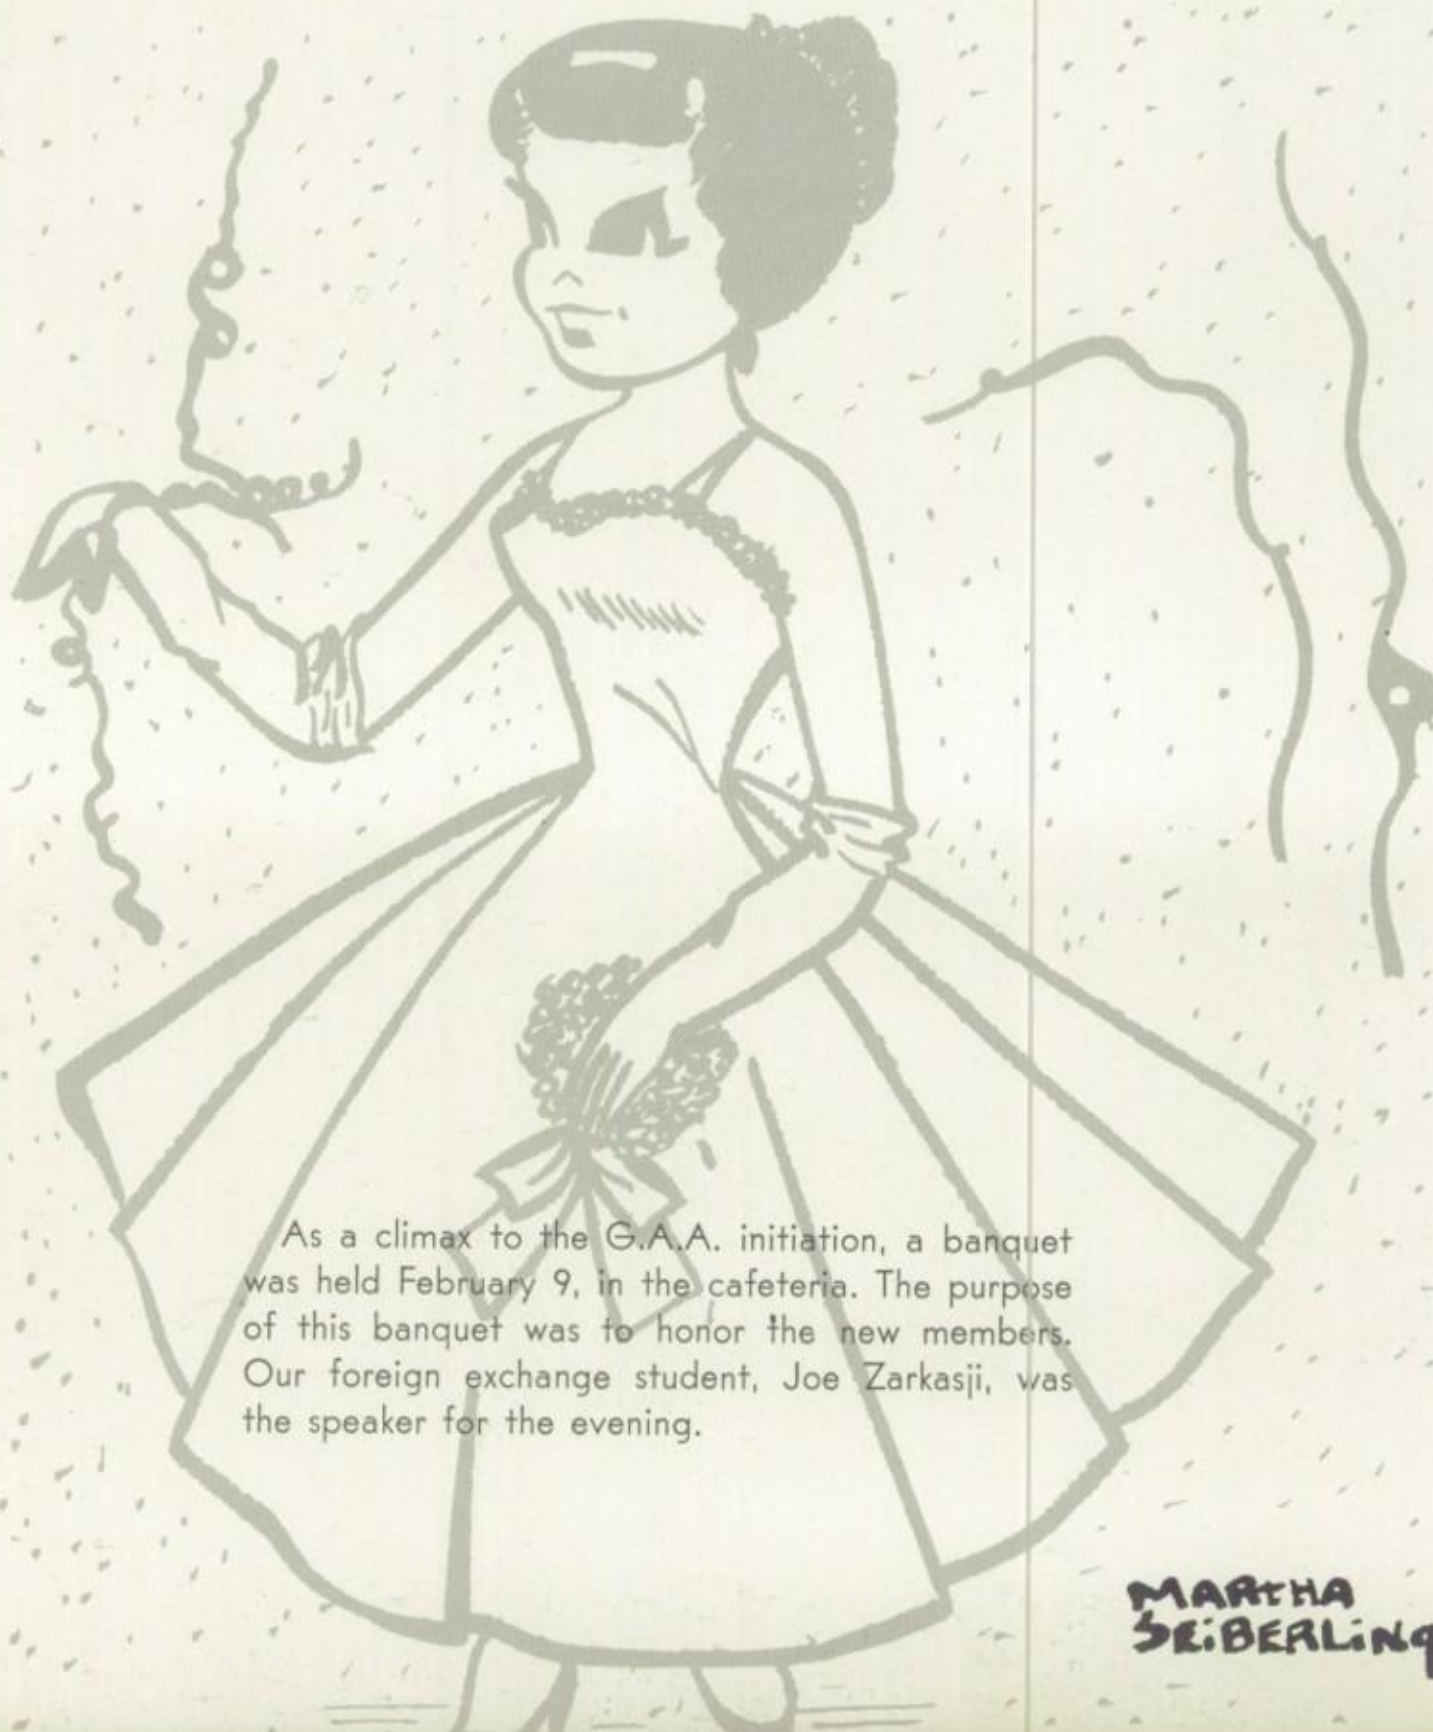

Back to the main event, there was cheering from the sidelines under the direction of initiate and faculty cheerleaders.

Dress for the initiates included straight hair, gym blouses, and up-side-down skirts.

All in attendance really had a ball!

Scripts everyone?

As a climax to the G.A.A. initiation, a banquet was held February 9, in the cafeteria. The purpose of this banquet was to honor the new members. Our foreign exchange student, Joe Zarkasji, was the speaker for the evening.

Boys' and Girls' State

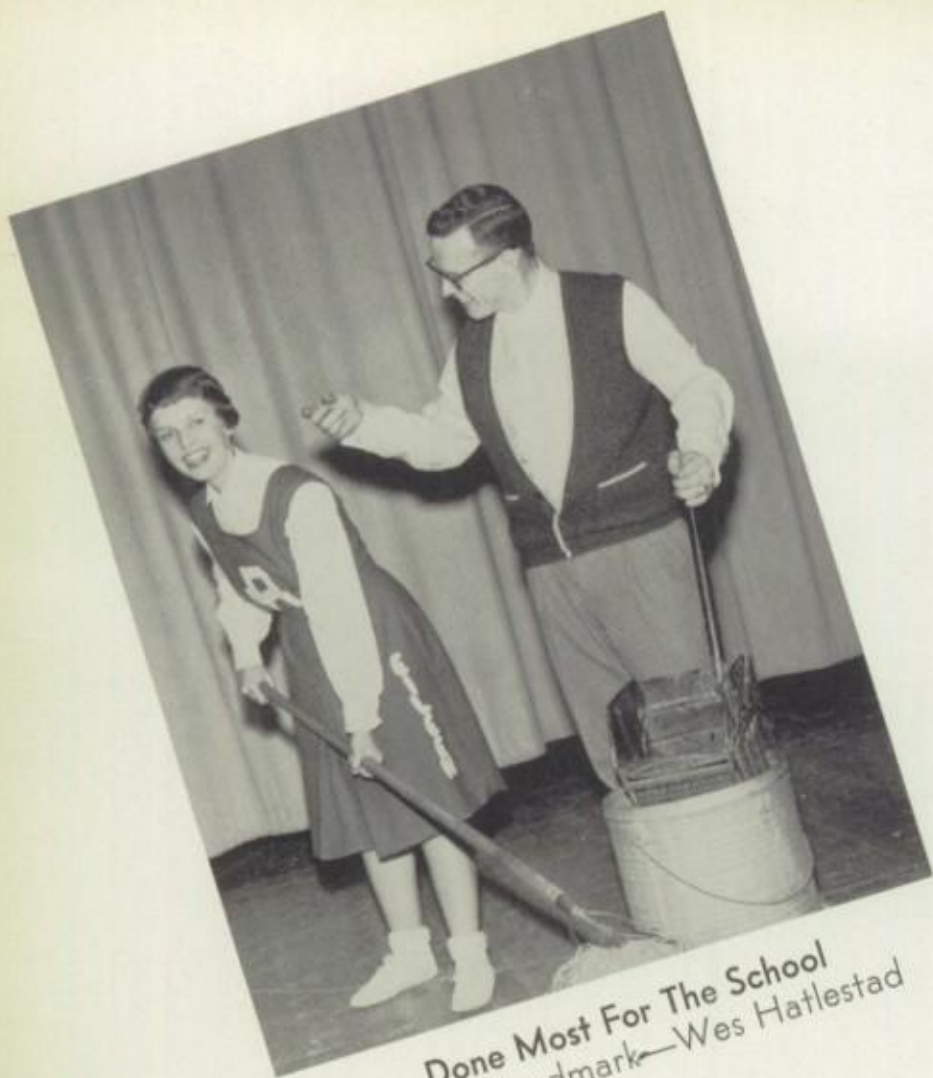

Wes Hatlestad, Jim Raymond and Nancy Joubert represented RHS last summer at Boys' and Girls' State at the Stair Fair Grounds in St. Paul. They all increased their knowledge of functional government and the government of Minnesota while they enjoyed the experience of meeting new friends and gaining the many educational experiences offered them in their model community.

American Field Service

Jusuf Zarkasji, "Joe" to all his friends at RHS, was the foreign Exchange Student from Sukubumi, Indonesia. Joe has made many friends with his cheerful smile and friendly ways. Everyone will remember Joe for a lifetime.

Eileen Woodmark spent the summer of 1958 in Denmark. Eileen enjoyed her trip so much that she could make us all see Denmark through her talks and slides. RHS couldn't ask for two better representatives than Joe and Eileen.

Fads

These fads have remained throughout the year;
And time again will reappear.

These sweaters and shoes,
From reds to blues;
Will never beat,
The overblouses so neat.

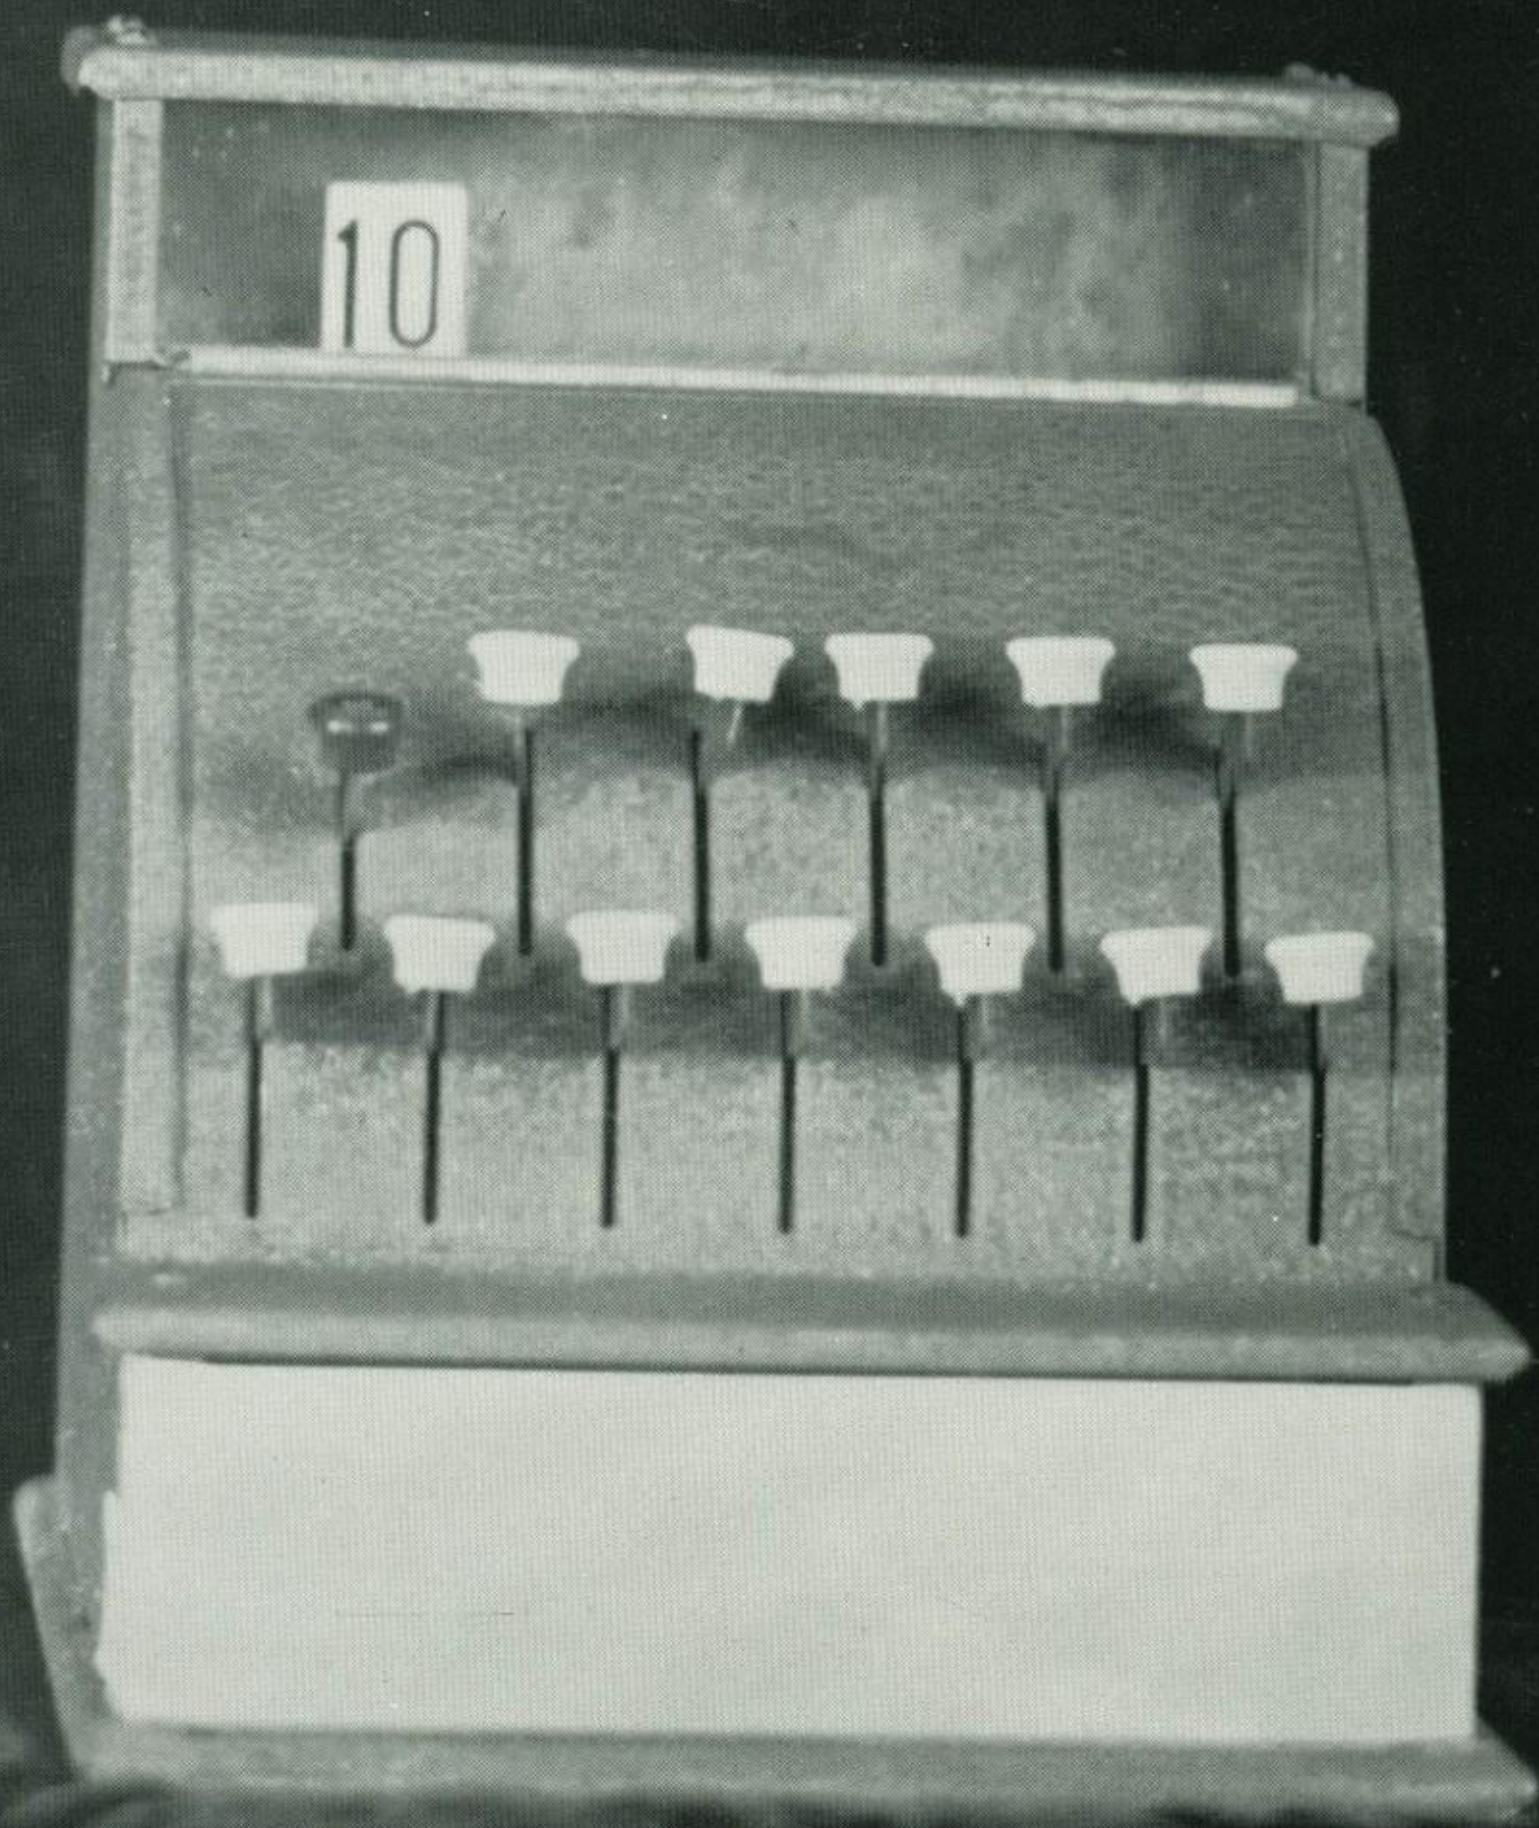

The leotard phase,
Will remain in a haze;
As we look back on this year,
With memories so dear.
